Tenant agrees that any improvements not removed from the Premises that are owned by Tenant may be deemed the property of Landlord at Landlord's option. Failure to comply with this Paragraph 8 will constitute holding over by Tenant.

If Tenant fails to restore the Premises, including removal of the improvements, as provided herein prior to the date Tenant is required to vacate the Premises or as otherwise requested by Landlord, then Landlord may, at Landlord's option, but at the sole cost and expense of Tenant, remove or arrange to remove all such property, improvements, obstructions, debris, waste, and contamination, and restore or arrange to restore both the surface and the subsurface of the Premises to as good order and condition as said Premises may have been prior to the use and occupation thereof by Tenant. Promptly upon bill rendered by Landlord, Tenant shall pay to Landlord the total cost of such removal and restoration, including, but not limited to, the cost of cleaning up and removing any contaminated soil or water.

- 9. Destruction of or Damage to Premises. If all or substantially all of the Premises are destroyed by storm, fire, lightning, earthquake or other casualty, this Lease shall terminate as of the date of such destruction, and rental shall be accounted for as between Landlord and Tenant as of that date. In the event of such termination, rental shall be prorated and paid up to the date of such casualty. In no event shall Tenant have any right to terminate this Lease if the casualty in question was caused or contributed to by Tenant, its agents, employees, contractors or invitees.
- 10. Indemnity. Except for damage caused solely by Landlord's negligence, Tenant agrees to indemnify, defend and save harmless Landlord, Landlord's parent companies, subsidiaries, affiliates, lessors, licensors, and subsidiaries of parent companies (collectively the "Landlord Related Entities") and Landlord's and Landlord's Related Entities' officers, directors, members, shareholders, lenders, agents and employees (collectively the "Landlord Entities") against all claims (including but not limited to claims for bodily injury, death or property damage), economic losses, liabilities, costs, injuries, damages, actions, mechanic's liens, losses and expenses (including but not limited to reasonable attorney's fees and costs) to whomsoever, including, but not limited to, Tenant's agents, workmen, servants or employees, or whatsoever occurring (collectively, "Claims") arising out of or relating to Tenant's use or occupancy of the Premises. To the fullest extent permitted by applicable laws, Tenant hereby waives and releases the Landlord Entities from any Claims (including but not limited to Claims relating to interruptions in services) arising out of or relating in any way to the Tenant's use or occupancy of the Premises.
- 11. Governmental Orders. Tenant agrees, at its own expense, to comply with all laws, orders, regulations, ordinances or restrictions applicable by reason of Tenant's use or occupancy of the Premises or operation of its business.

- 12. Condemnation. If the Premises or such portion thereof as will make the Premises unusable for the purpose herein leased shall be condemned by any legally constituted authority for any public use or purpose, or sold under threat of condemnation, then this Lease shall terminate as of the date of such condemnation or sale, and rental shall be accounted for between Landlord and Tenant as of such date. All condemnation awards shall belong to Landlord; provided, however, and to the extent permitted under applicable law, Tenant shall be entitled to file a separate claim against the condemning authority for loss of its personal property and moving expenses so long as the filing of such claim does not affect or reduce Landlord's claim as to such awards or proceeds.
- 13. Assignment. Tenant may not assign this Lease or any interest thereunder or sublet the Premises in whole or in part or allow all or a portion of the Premises to be used by a third party without the prior written consent of Landlord. If Tenant is a corporation, partnership, limited liability company or other entity, the transfer of more than fifty percent (50%) of the ownership interests of Tenant or the transfer of a lesser percentage which results in a transfer of control of Tenant (WHICH INCLUDES, WITHOUT LIMITATION, TRANSACTIONS IN WHICH TENANT SELLS ITS BUSINESS, SELLS ALL OR SUBSTANTIALLY ALL OF THE ASSETS OF ITS BUSINESS OR MERGES OR CONSOLIDATES WITH ANOTHER ENTITY), whether in one transaction or a series of related transactions, shall constitute an assignment for purposes of this Lease. All requests for an assignment or sublease shall be accompanied by a copy of the proposed assignment or sublease agreement and an administrative fee in the amount of \$750.00. Any assignee shall become liable directly to Landlord for all obligations of Tenant hereunder. No such assignment or sublease nor any subsequent amendment of the Lease shall release Tenant or any guarantor of Tenant's obligations hereunder. If any such subtenant or assignee pays rental in excess of the rental due hereunder or if Tenant receives any other consideration on account of any such assignment or sublease, Tenant shall pay to Landlord, as additional rent, one-half of such excess rental or other consideration upon the receipt thereof. Any assignment or sublease made in violation of this Paragraph 13 shall be void and shall constitute a default hereunder.
- 14. Environmental. Tenant covenants that neither Tenant, nor any of its agents, employees, contractors or invitees shall cause or permit any aboveground or underground storage tanks or associated piping (collectively "Tanks") to be located on or under the Premises or any Hazardous Materials (as hereinafter defined) to be stored, handled, treated, released or brought upon or disposed of on the Premises. Tenant shall comply, at its own expense, with any and all applicable laws, ordinances, rules, regulations and requirements respecting solid waste, hazardous waste, air, water, pollution or otherwise relating to the environment or health and safety (collectively "Environmental Laws"). Tenant shall not under any circumstance dispose of trash, debris or wastes on the Premises and will not conduct any activities on the Premises which require a hazardous waste treatment, storage or disposal permit. As used herein, the term "Hazardous Materials" means asbestos, polychlorinated biphenyls, oil, gasoline or other petroleum based liquids, and any and all other materials or substances deemed hazardous or toxic or regulated by applicable laws, including but not limited to substances defined as hazardous under the Comprehensive Environmental Response, Compensation and Liability Act, as amended, 42 U.S.C. §9601 et seq., or the Resource Conservation and Recovery Act, as amended, 42 U.S.C. 6901 et seq. (or any state counterpart to the foregoing statutes) or determined to present the unreasonable risk of injury to health or the environment under the Toxic Substances Control Act, as amended, 15 U.S.C. 2601 et seq. Tenant shall indemnify, defend and hold the Landlord Entities harmless from and against any and all claims, judgments, damages, penalties, fines, costs (including without limitation, consultant's fees, experts' fees, attorney's fees, investigation and cleanup costs and courts costs), liabilities or losses resulting from (1) the storage, handling, treatment, release, disposal, presence or use of Hazardous Materials in, on or about the Premises from and after the date of this Lease or (2) the violation by Tenant of any provision of any Environmental Laws. Without limiting the generality of the foregoing indemnity, in the event Landlord has reason to believe that the covenants set forth in this Paragraph 14 have been violated by Tenant,

Landlord shall be entitled, at Tenant's sole expense, to take such actions as Landlord deems necessary in order to assess, contain, delineate and/or remediate any condition created by such violation. Any sums expended by Landlord shall be reimbursed by Tenant, as additional rental, within thirty (30) days after demand therefor by Landlord. Landlord has the right to enter the Premises at all reasonable times for purposes of inspecting the Premises in order to evaluate Tenant's compliance with the covenants of this Paragraph 14. In the event Tenant delivers or receives any notices or materials from any governmental or quasi-governmental entity and such notices or materials relate to Tanks or Hazardous Materials in, on or about the Premises, Tenant shall immediately send to Landlord a copy of such notices or materials. Tenant shall also provide Landlord with a detailed report relating to any release of a Hazardous Material in, on or about the Premises whenever such release is required to be reported to governmental authorities pursuant to the Environmental Laws. Upon the expiration or earlier termination of this Lease, Landlord shall have the right to cause to be performed such environmental studies of the Premises by an environmental consultant as are necessary to determine whether any Hazardous Materials have been stored, handled, treated, released, brought upon or disposed of on the Premises during the term of this Lease in violation of the terms hereof. If any such study reveals any violation of this Lease, Tenant shall promptly reimburse Landlord for the costs of such studies and Tenant shall immediately undertake a further investigation, if necessary, and remediation of such contamination. Landlord may undertake such investigation and remediation if Tenant fails to do so within a reasonable time frame, in which case Tenant shall promptly reimburse Landlord for the cost of same within thirty (30) days after demand therefore by Landlord. The obligations of this Paragraph 13 shall survive the expiration or earlier termination of this Lease.

- 15. Default; Remedies. In the event (i) any payment of rental or other sum due hereunder is not paid within ten (10) days after the due date thereof; (ii) the Premises shall be deserted or vacated; (iii) Tenant shall fail to comply with any term, provision, condition or covenant of this Lease, other than an obligation requiring the payment of rental or other sums hereunder, and shall not cure such failure within twenty (20) days after notice to the Tenant of such failure to comply; (iv) Tenant shall attempt to violate or violate Paragraph 13 above; or (v) Tenant or any guarantor shall file a petition under any applicable federal or state bankruptcy or insolvency law or have any involuntary petition filed thereunder against it, then Landlord, in addition to any remedy available at law or in equity, shall have the option to do any one or more of the following:
 - (a) Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord. Tenant agrees to indemnify the Landlord Entities for all loss, damage and expense which Landlord may suffer by reason of such termination.
 - (b) Without terminating this Lease, terminate Tenant's right of possession, whereupon rental shall continue to accrue and be owed by Tenant hereunder. Thereafter, at Landlord's option, Landlord may enter upon and relet all or a portion of the Premises (or relet the Premises together with any additional space) for a term longer or shorter than the remaining term hereunder and otherwise on terms satisfactory to Landlord. Tenant shall be liable to Landlord for the deficiency, if any, between Tenant's rental hereunder and all net sums received by Landlord on account of such reletting (after deducting all costs incurred by Landlord in connection with any such reletting, including without limitation, tenant improvement costs, brokerage commissions and attorney's fees).
 - (c) Pursue a dispossessory, eviction or other similar action against Tenant, in which event Tenant shall remain liable for all amounts owed hereunder, including amounts accruing hereunder from and after the date that a writ of possession is issued.

(d) Perform any unperformed obligation of Tenant, including, but not limited to, cleaning up any trash, debris or property remaining in or about the Premises upon the expiration or earlier termination of this Lease. Any sums expended by Landlord shall be repaid by Tenant, as additional rent, within ten (10) days after demand therefor by Landlord.

Pursuit of any of the foregoing remedies shall not preclude pursuit of any other remedies available at law or in equity. Tenant agrees to pay all costs and expenses, including, but not limited to, reasonable attorney's fees and consultant's fees, incurred by Landlord in connection with enforcing the performance of any of the provisions of this Lease, whether suit is actually filed or not. Acceptance of rental or any other sums paid by Tenant shall not constitute the waiver by Landlord of any of the terms of this Lease or any default by Tenant hereunder. Landlord shall not be required to mitigate damages, and the parties intend to waive any burden that applicable law may impose on Landlord to mitigate damages; provided, however, if applicable law nevertheless requires Landlord to mitigate damages then (i) Landlord shall have no obligation to treat preferentially the Premises compared to other premises Landlord has available for leasing; (ii) Landlord shall not be obligated to expend any efforts or any monies beyond those Landlord would expend in the ordinary course of leasing space; and (iii) in evaluating a prospective reletting of the Premises, the term, rental, use and the reputation, experience and financial standing of prospective tenants are factors which Landlord may properly consider.

- 16. Signs; Entry by Landlord. Landlord may place "For Lease" signs upon the Premises one hundred twenty (120) days before the termination of this Lease and may place "For Sale" signs upon the Premises at any time. Landlord may enter the Premises with prior notice to Tenant at reasonable hours during the term of this Lease (a) to show the same to prospective purchasers or tenants, (b) to make repairs to Landlord's adjoining property, if any, (c) to inspect the Premises in order to evaluate Tenant's compliance with the covenants set forth in this Lease, or (d) to perform activities otherwise permitted or contemplated hereby.
- 17. No Estate in Land. This Lease shall create the relationship of landlord and tenant between Landlord and Tenant; Tenant's interest is not assignable by Tenant except as provided in Paragraph 13, above.
- 18. Holding Over. If Tenant remains in possession of the Premises after expiration of the term hereof with Landlord's written consent, Tenant shall be a month-to-month tenant upon all the same terms and conditions as contained in this Lease, except that the base rental shall become two times the then current base rental, and there shall be no renewal of this Lease by operation of law. Such month-to-month tenancy shall be terminable upon thirty (30) days written notice by either party to the other. Tenant waives any right that it may have to additional notice pursuant to applicable law. If Tenant remains in possession of the Premises after the expiration of the term hereof without Landlord's written consent, Tenant shall be a tenant at sufferance subject to immediate eviction. In such event, in addition to paying Landlord any damages resulting from such holdover, Tenant shall pay base rental at the rate of three times the then current base rental. In such circumstance, acceptance of base rental by Landlord shall not constitute consent or agreement by Landlord to Tenant's holding over and shall not waive Landlord's right to evict Tenant immediately.
- 19. Notices. Any notice given pursuant to this Lease shall be in writing and sent by certified mail, return receipt requested, by hand delivery or by reputable overnight courier to:
 - (a) <u>Landlord</u>: c/o Director Real Estate, Norfolk Southern Corporation, 1200 Peachtree Street, $NE 12^{th}$ Floor, Atlanta, Georgia 30309-3579, or at such other address as Landlord may designate in writing to Tenant.

(b) <u>Tenant</u>: City of Hapeville, 3468 North Fulton Avenue Hapeville, Georgia 30354, or at such other address as Tenant may designate in writing to Landlord.

Any notice sent in the manner set forth above shall be deemed delivered three (3) days after said notice is deposited in the mail if sent by certified mail (return receipt requested), or upon receipt if sent by hand delivery or reputable overnight courier. Any change of notice address by either party shall be delivered to the other party by the manner of notice required hereby.

- 20. Track Clearance. Notwithstanding anything contained in this Lease, and irrespective of the sole, joint, or concurring negligence of Landlord, Tenant shall assume sole responsibility for and shall indemnify, save harmless and defend the Landlord Entities from and against all claims, actions or legal proceedings arising, in whole or in part, from the conduct of Tenant's operations, or the placement of Tenant's fixtures, equipment or other property, within twenty-five feet (25') of Landlord's tracks, if any, located on or adjacent to the Premises. In this connection it is specifically understood that knowledge on the part of Landlord of a violation of the foregoing clearance requirement, whether such knowledge is actual or implied, shall not constitute a waiver and shall not relieve Tenant of its obligations to indemnify the Landlord Entities for losses and claims resulting from any such violation.
- 21. Brokerage. Landlord and Tenant hereby covenant and agree to indemnify and hold the other harmless from and against any and all loss, liability, damage, claim, judgment, cost and expense (including without limitation attorney's fees and litigation costs) that may be incurred or suffered by the other because of any claim for any fee, commission or similar compensation with respect to this Lease, made by any broker, agent or finder claiming by, through or under the indemnifying party, whether or not such claim is valid.
- 22. Tenant's Insurance. Tenant shall procure and maintain, at all times and at its expense, in a form and with an insurance company acceptable to Landlord, Commercial General Liability Insurance for the Premises. Such coverage shall (a) have a single limit of not less than \$2,000,000.00 for each occurrence (or such greater amount over time so as to be commercially reasonable) and shall provide for a deductible of not more than \$5,000.00, (b) cover Tenant's contractual liability hereunder, (c) cover Tenant and Landlord for liability arising out of work performed by any third parties for Tenant in or about the Premises, (d) name the Landlord Entities as additional insureds, and (e) be considered primary and noncontributory, regardless of any insurance carried by Landlord. Any property insurance maintained by Tenant on its furniture, fixtures, equipment and personal property shall include a waiver of subrogation in favor of Landlord. Tenant shall deliver certificates of insurance evidencing the insurance required hereinabove to Landlord simultaneously with the execution of this Lease by Tenant, which certificates shall reflect that the policies shall not be canceled without at least thirty (30) days prior notice to Landlord. If Tenant fails to obtain the necessary coverages, Landlord may do so at Tenant's expense and the same shall constitute additional rental. All insurance certificates should be delivered to Landlord's Risk Management Department, Three Commercial Place, Norfolk, Virginia 23510, simultaneously with the execution of this Lease by Tenant. The minimum limits of insurance provided for hereunder are not intended to be a limitation on the liability of Tenant hereunder and shall not waive Landlord's right to seek a full recovery from Tenant.
- 23. Rent Increase Notice. In addition to the rights set forth in Article 15 above, but no sooner than one (1) year after the date of this Lease, Landlord shall have the right, from time to time, to send Tenant a rent increase notice in a form substantially similar to that attached hereto as Exhibit "C" and made a part hereof. If Tenant either agrees to such rent increase or elects to remain on the Premises

beyond the stated termination date in the rent increase notice, then such increase shall take effect in the manner prescribed in Tenant's rent increase notice without the need for any further documentation.

- 24. Joint and Several. If Tenant comprises more than one person, corporation, partnership or other entity, the liability hereunder of all such persons, corporations, partnerships or other entities shall be joint and several.
- 25. No Warranties; Entire Agreement. TENANT ACCEPTS THE PREMISES "AS IS" WITHOUT WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF QUIET ENJOYMENT, THE IMPLIED WARRANTIES OF MERCHANTABILITY, HABITABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER IMPLIED WARRANTIES. LANDLORD SHALL NOT BE LIABLE FOR, AND TENANT HEREBY RELEASES LANDLORD FROM ALL CLAIMS FOR ECONOMIC LOSSES AND ALL OTHER DAMAGE OF ANY NATURE WHATSOEVER ACCRUING TO TENANT, INCLUDING, BUT NOT LIMITED TO THE VALUE OF ANY BUILDINGS, STRUCTURES OR IMPROVEMENTS OF TENANT UPON THE PREMISES, RESULTING FROM OR ARISING BY REASON OF ANY DEFICIENCY, INSUFFICIENCY OR FAILURE OF TITLE OF LANDLORD. THIS LEASE CONTAINS THE ENTIRE AGREEMENT OF THE PARTIES HERETO AS TO THE PREMISES, AND NO REPRESENTATIONS, INDUCEMENTS, PROMISES OR AGREEMENTS, ORAL OR OTHERWISE, BETWEEN THE PARTIES, NOT EMBODIED HEREIN, SHALL BE OF ANY FORCE OR EFFECT.
- **26. Survival.** The provisions of Paragraphs 7, 8, 10, 14, 18 and 21 shall survive the expiration or earlier termination of this Lease.
- 27. Miscellaneous. Knowledge on the part of Landlord or any employee, agent or representative of Landlord of any violation of any of the terms of this Lease by Tenant shall constitute neither negligence nor consent on the part of Landlord, and shall in no event relieve Tenant of any of the responsibilities and obligations assumed by Tenant in this Lease. All rights, powers and privileges conferred hereunder upon the parties hereto shall be cumulative but not restrictive to those given by law. No failure of Landlord to exercise any power given Landlord hereunder, or to insist upon strict compliance by Tenant with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Landlord's right to demand exact compliance with the terms hereof. Subject to the terms of Paragraph 13 above, this Lease shall be binding upon and shall inure to the benefit of the respective successors and permitted assigns of Landlord and Tenant. If any term, covenant or condition of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, covenant or condition to persons, entities or circumstances other than those which or to which used may be held invalid or unenforceable, shall not be affected thereby, and each term, covenant or condition of this Lease shall be valid and enforceable to the fullest extent permitted by law. Time is of the essence in this Lease. Neither party shall be bound hereunder until such time as both parties have signed this Lease. This Lease shall be governed by the laws of the State or Commonwealth in which the Premises are located.
- 28. Signature. The parties agree that if an authorized officer of a party fully signs this Agreement in the appropriate location(s) below and then returns that signature to the other party via electronic means with a pdf or similar scanned copy of that signature, then that scanned signature shall serve as that party's signature for the Agreement, and, upon full execution of the Agreement by all parties, shall create a legally binding Agreement.

Subject to the limitations in C below, the Company shall provide up to the first 125 feet of Main and/or Service Line extension as well as Metering Equipment and Regulating Equipment to each Applicant's Billing Unit at no cost to the Applicant. These J25 feet of Main and/or Service Line and Metering Equipment and Regulating Equipment are in addition to the Allowable Investment as provided below:

- 1. Calculation of Allowable Investment Beyond the First 125 Feet of Main and Service Line
- (a) The Allowable Investment in Main and Service Line, excluding Metering and Regulating Equipment, to be made by the Company without contribution or payment by the Applicant shall not exceed the Estimated Annual Revenues from the extension divided by the levelized annual carrying charge rate applicable to the investment,
- (b) The levelized annual carrying charge rate shall be calculated by using the weighted average cost of capital as determined by the Commission in the Company's last rate proceeding adjusted for taxes and depreciation required to recover the Company's investment over the expected useful life of the Service Line. These costs will be discounted at the Company's after-tax rate of return.
- (c) The Allowable Investment in Mains and Service Lines shall be based upon engineering cost estimates.
- (d) The Applicant's Estimated Annual Revenues shall be determined by estimating the Dedicated Design Day Capacity plus the customer charge.
- 2. Contribution by Applicant

In the event that the Allowable Investment beyond the first 125 feet of Main and Service Line is not sufficient to cover the cost of the extension, the Applicant shall pay the excess costs.

- 3. Length and Location
- (a) The length of Main required for a Main extension or the length of Service Line will be considered as the distance along the shortest practical route, as determined by the Company, from the Company's nearest Main, capable in the opinion of the Company of properly supplying the Applicant. Irrespective of the total Allowable Investment, the Company shall not be required to extend a Main or Service Line a greater distance than necessary in the judgment of the Company to serve an Applicant.
- (b) The Service Line shall be of the size and type required to supply the principal requirements of the Premises served, and shall extend from the Company's Main to the first reasonable acceptable meter location as determined by the Company.
- (c) Company reserves the right to designate the locations and specifications for the main taps, Service Lines, curb cocks, meters and regulators and to determine the amount of space that must be left unobstructed for the installation and maintenance thereof. Applicant may request an alteration of such designation and, if consented to by the Company, the cost of such revised designation in excess of the cost of the original Company design shall be bome by the Applicant regardless of whether the length of Service Line laid as requested by Applicant comes within the Allowable Investment provided in this Rule. Further, the Company may require Applicant to provide both power and phone lines to the location of such metering facilities.
- 4. Extensions Beyond the First 125 Feet of Main and Service Line
- (a) Payment Provisions

The Applicant shall pay to the company the excess cost of the extension beyond the first 125 feet of Main and Service Line, Metering and Regulating Equipment, and the Allowable Investment.

- (b) Adjustment of Allowable Investment and Payments
- (i) Within one year after service is commenced to a Customer, the Company will determine if the Estimated Annual Revenues determined in accordance with Section B(1)(d) above have been achieved.
- (ii) If, based upon the above determination, there is a lesser Allowable investment than that originally granted, and a payment is required in addition to the prior payment by the Applicant, if any, such additional shall be paid by the Applicant.

(c) Refunds of Payments

A portion of an Applicant's payment may be refunded where one or more additional Customers connect to a Main extension that initially required a customer payment under the following:

(i) First, the original Applicant made a payment to the Company for the original Main to establish service.

Second, the original Applicant will receive a credit if an additional Customer establishes service on the original Main.

Third, the calculation of the original Applicants refund, if any, is the excess to the Allowable Investment attributed to the additional Customer taking service that is greater than the cost to establish service to the additional Customer.

- (ii) The Service Line for each additional Customer shall be directly connected to the Main extension and no further extension of Main is required.
- (iii) The amount of such refund to the party or parties who made the initial advance shall not exceed the excess Allowable Investment generated,
- (iv) When two or more parties make a joint advance on the same extension, any amounts refunded will be distributed to the parties in the same proportion as the original contribution.
- (v) No refund will be made by the Company in excess of the amount advanced by the Customer or Customers nor after the lesser period of five (5) years or the period contracted for from the date the Company is first ready to render service from the extension. Any unrefunded amount at the end of the period will become the property of the Company.
- (vi) Any additional Main to be connected in any manner to Main already laid or to a Main provided for under an existing agreement for Main extension, as provided for in the Rule, shall be considered a new Main extension, and no refund or repayment of any kind with respect to such new Main or any Customer to be served from or through such new Main shall be made to any Customer who made an advance for the installation of the Main already laid or for the Main provided for under such existing agreement.
- (vii) Refunds will be made for funds advanced through the Universal Service Fund if the Commission designates at the time of approval of an application that the specific facts of the application so warrant. Refunds will also be made for funds advanced through the Universal Service Fund for any application which was approved prior to the effective date of this revised provision and which has been designated as appropriate for such refunds by the Commission on or before November 18, 2003.
- (d) One Service Line for a Single Premise

The Company will not install more than one Service Line to supply the Premises of an individual Applicant unless for the convenience of the Company or an Applicant requests an additional Service Line and, in the judgment of the Company, an unreasonable burden would be placed on the Applicant if the additional Service Line were not installed. When an additional Service Line is installed under these conditions at the Applicant's request, the Applicant shall pay for the entire length of said additional Service Line, Metering Equipment, and Regulating Equipment at the engineering cost.

- (e) Relocation of Service
- (i) When in the judgment of the Company the relocation of a Service Line, including Metering and Regulating Equipment, is necessary to maintain adequate service or for the operating convenience of the Company, the Company shall relocate the same at its expense.
- (ii) If relocation of a Service Line, including Metering and Regulating Equipment, is for the convenience of the Applicant or the Customer, such relocation shall be performed by the Company at the expense of the Applicant or the Customer.
- C. Limitations
 - 1. The first 125 feet of Main and Services, Metering and Regulating Equipment, and the Allowable Investment shall not be made by the Company for Auxiliary or Incidental Uses of Oas.
 - 2. The Company shall not be required to provide any connection to the Company's system where such connection may have an adverse impact on existing Customers unless the Commission has prescribed a tariff provision designed to eliminate such adverse impact on existing Customers.
- D. Special Conditions
 - (1) Contracts

The Applicant will be required to execute a contract covering the terms under which the Company will install Mains and Service Lines in accordance with the provisions of these Rules and Regulations. The contract will provide that the Applicant will commence using in a bona fide manner within six months after the date of the completion of the extension and continue to so use for the period contracted for, the amount of gas determined for the Dedicated Design Day Capacity and under the Rate Schedule on which the Company's Allowable Investment is based. Such contract will also provide that if the Applicant fails to take service or fails to meet the Dedicated Design Day Capacity, the Company may calculate and bill the Applicant and the Applicant shall pay an amount according to the Company's non-residential Main and Service Line extension rules in effect at the time the extension was made as if service had been requested on the basis of the actual equipment installed and utilized.

(2) Periodic Review

The Company will as soon as practicable after the close of each of its fiscal years review its costs of construction of Mains, Service Lines, and Metering and Regulating Equipment, and file with the Commission the unit charges for such facilities.

(3) Extension for Temporary Service

Extension for temporary service or for operations that in Company's opinion are of a questionable permanence will not be made under this Rule, but will be made in accordance with the rule pertaining to temporary service.

(4) Service From High Pressure Mains

Service shall be provided from a normal distribution facility of the Company. Company reserves the right, at its sole option, to refuse line extensions from any of its lines operating at pressures in excess of 125 PSIG.

(5) " Title to Facilities

Legal and equitable title to all Mains, Service Lines, and Metering and Regulating Equipment installed by the Company upon which an advance, contribution, or other payment has been made shall be and remain in the Company, and the Company shall have the right without the consent of, or any refund to, any party who made such advance, contribution or other payment:

- a. To extend the gas Main or connect additional gas Mains to any part of it.
- b. To serve new additional Customers at any time through service connections attached to such Main or to extended or connected gas Mains.
- (6) Exceptional Cases

In unusual circumstances when the application of this Rule appears create a hardship to either party, the Company or the Applicant may refer the matter to the Commission for special ruling thereon prior to commencing construction.

(7) Dispute Resolution

In the event that a dispute arises between the Company and a party seeking a line extension from the Company under the provisions of this Rule, the Company or the party may seek an expedited review of the dispute from the Staff of the Commission. Said review shall be completed within 60 days of a written request for such review and shall be limited to a review of the proposed line extension and whether the Company's position regarding said extension is in compliance with Rule 8. At the end of its review, the Staff shall issue a written opinion as to whether the Company's position in the dispute is in compliance with Rule 8. If the issuance of the Staff's opinion does not resolve the dispute to the satisfaction of the Company or the party seeking a line extension, the Company or such party may petition the Commission to resolve the dispute.
