

Smart cities run on mobile

Inform your residents when they need it most
in the device they use the most - THIS IS THE SOLUTION

Backed by ITsimple's secure content management platform, It'sMyTown is the complete solution for your residents, visitors, and businesses to know and do more. Packaged in a single powerful mobile app.

Push Alerts

Send alerts to smartphones and social media with a tap.

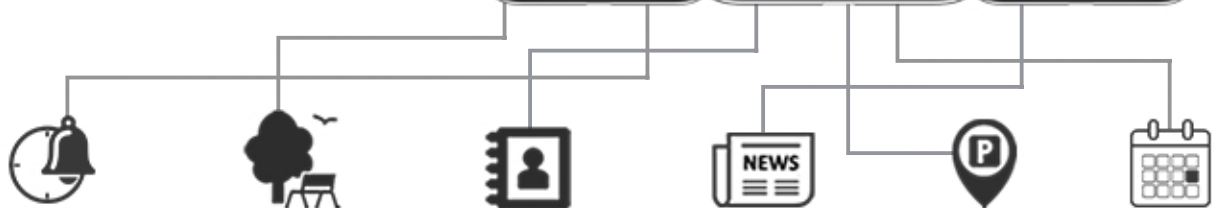

Just Bring Content

No upgrades. No coding. Just a simple, secure online dashboard.

Content Management

Create. Review. Publish. Inform. Engage. Track.

Information for Action

Plan a visit. Find a hotel. Find a restaurant. Get directions. Drive or book a car service. Find parking. Take a walking tour. Discover a park. Report a pothole. Read the news. Find an event. Add it to your calendar. Invite a friend. Email the city. Get real-time alerts. Meet the Mayor.
