Hapeville Tax Season Reminder

Property tax mailings go out in mid-October. These funds are vital for
supporting the services and amenities that make Hapeville special.
While some may think Hapeville's taxes are high, our mill rate is lower
than 11 other Fulton County cities.

Curious how your taxes are used? A full breakdown by department
was shared at the August 19th City Council meeting and is available
on YouTube: [City of Hapeville Departmental FY2025-26](#). Questions?
Contact the City Manager at tyoung@hapeville.org.

CODE CORNER

A Friendly Reminder for Cooler Nights

As the weather cools, our furry
friends sometimes look for
warmth in unexpected places—
like under car hoods. To help
keep neighborhood cats safe,
please give your hood a gentle
tap or take a quick peek before
starting your car. A simple
moment of care can make a big
difference!

Leaf Season Reminder

With leaf season approaching, please
note that yard debris collection may occur
on a different day than your regular
garbage pickup. Because of heavier loads
and more residential stops this time of
year, garbage trucks will prioritize
household waste on scheduled pickup
days.

You're welcome to place yard debris out
over the weekend—it will be collected on
Monday or as soon as possible.
For questions, please contact
Public Works at 404-669-2120.

Thinking About a New Project? Please Check First!

We've recently noticed an increase in
construction, tree removals, and
signage installations taking place
without the required permits. To avoid
citations and ensure everything is done
correctly, please reach out to us before
starting any work. Our team is here to
guide you through the process and
help with permits if needed.
For questions or assistance, contact the
Public Works Department at
(404) 669-2120 before beginning your
project.

Beowulf: A World Premiere adapted by Phillip DePoy, Directed by Rosemary Newcott
Fri & Sat. @ 8:00 pm, Sun. @ 3:00pm
