DESIGN REVIEW APPLICATION INSTRUCTIONS AND ACKNOWLEDGEMENT

I, the undersigned, agree that with my signature and submission to the City of Hapeville, I have done the following:

- Read the City of Hapeville’s Architectural Design Guidelines and relevant Code sections for my proposed project. The Architectural Design Guidelines may be found here: https://library.municode.com/ga/hapeville/codes/code_of_ordinances?nodetid=PTIICOOR_CH81ARDEST
- Ensured that my proposed project meets all of the required criteria per the City of Hapeville Code of Ordinances.
- Submitted my application materials in full by the published deadline for review by Staff prior to the Design Review Committee meeting.
- Identified and explained all deficiencies or components of the proposed project that do not meet with the requirements set forth in the Code. This explanation should be submitted as a separate document in the application.
- Understood that any deficiencies in the application must be resolved at least 10 days prior to the Design Review Committee meeting or the application may not be presented to the DRC for review.
- Submitted dimensioned architectural drawings and details for all projects unless allowed in writing by the Community Services or Planning & Zoning Department.
- Agreed to submit any required revisions by the Design Review Committee with updated drawings to the Community Services Department for review prior to requesting any permits.

The Design Review Committee

The Design Review Committee has been established to review all construction projects requiring a building permit for conformance with the new architectural design guidelines found online at www.hapeville.org . Each applicant for a building permit must receive a favorable recommendation from the Design Review Committee before a building permit may be issued. The Design Review Committee Review is coordinated from the office of the Development Director.

To assist the applicant, the following information will serve as a guideline for obtaining approval for construction.

Process and Procedures

- 1) Obtain a Design Review Application on the City's website www.hapeville.org or from the Community Services Department, located at 3474 North Fulton Avenue, Hapeville, Georgia 30354. 404-669-2120
- 2) Attached herewith are some of the submittal documents that the applicant may be required to submit. The submittal documents may vary depending on the specifics of the project. There is a \$100 application fee (for applications that do not require Planning Commission approval) that must accompany the application at the time of submittal.
- 3) The secretary will review applications for all requirements, materials and submittals. After all submittals and final review of the application, the secretary will submit application to the City Planner and the Design Review Committee.
- 4) The Community Service Department will notify the applicant of the meeting date the application will be heard. Each applicant is required to personally appear at the Design Review Committee to answer questions. Applicant is encouraged to bring to the Design Review Committee any design professionals associated with the project.

Exemptions from the Design Review Process

All applicants for a Building Permit are required to receive a favorable recommendation from the Design Review Committee before a Building Permit will be issued.

A request for a permit for the following is considered exempt from the Design Review procedures and may apply for a permit from the Community Services Department, located at 3474 North Fulton Avenue, Hapeville, Georgia 30354. Any question regarding the permitting process for these exemptions may be directed to 404-669-2120.

- 1) Tree Removal Permits for a single-family lot
- 2) Minor HVAC, electrical, plumbing and gas permits less than 30"
- 3) Demolition of a single structure
- 4) Minor Grading Permit requests
- 5) Interior Remodeling in Commercial and Residential structures (However any interior remodeling which will affect the appearance of the exterior portion of the structure must be approved by the Design Review Committee and are not exempt from the requirements outlined above)
- 6) Signs (This includes awning signs)
- 7) Roof Permits

The Planning Commission approval is a separate and distinct process. Information on the Planning Commission may be obtained on the City's website at www.hapeville.org .

NOTICE

Please be advised that the Community Service Department is here to assist all applicants regarding application procedures, meeting schedules and necessary deadlines. The Community Service Department does **NOT** make any final decisions for the Design Review Committee, Sign Committee, Planning Commission, Board of Appeals or rezoning request to Mayor and Council.

A complete application and dimensioned architectural drawings must be submitted before the Community Service Department will accept an application and forward the same to the appropriate entity.

Building inspections issued by the City of Hapeville are contracted out to State of Georgia Certified Inspectors. These inspectors make the final decisions regarding building, electrical, plumbing and HVAC work completed in the City of Hapeville. The Hapeville Fire Marshal conducts inspections issued through the Community Services Department as needed. Both the Certified Inspectors and Fire Marshal make the final decisions before Certificates of Occupancy's are issued.

Please be advised that the Community Service Department shall not be responsible for your purchasing materials, equipment, items, signs, etc... before you receive final approval by any entity whose approval is required.

I understand that it is a felony to make false statements or writings to the City of Hapeville, Georgia pursuant to O.C.G.A. 16-10-20 and I may be prosecuted for a violation thereof.
