The final payment of principal shall be paid only upon surrender of this bond at the principal corporate office of the Paying Agent. The interest hereon shall be paid to the person in whose name this bond is registered at the close of business on the 15<sup>th</sup> day of the calendar month preceding each Interest Payment Date (each such date a "Record Date"). All payments of principal and interest due hereunder shall be made by check or draft, drawn on the Paying Agent, and mailed, by first class mail, postage prepaid, to such person at the address on the books of registry kept by the Bond Registrar, or in such other manner as may be mutually acceptable to the Paying Agent and the registered owner of this bond.

This bond is issued for the purpose of providing funds to pay, in whole or in part, the cost of (i) the acquisition, development and improvement of certain real estate for development (the "2004B Project," and together with the 2004A Project (as defined below), the "2004 Project"), (ii) paying off debt in the amount of \$682,000.00 to the City (the "2004B Debt Pay-Off"), (iii) paying capitalized interest and (iv) paying costs of issuance, and is issued under authority of the Constitution and the laws of the State of Georgia and was duly authorized by a resolution of the governing body of the Authority adopted on June 3, 2004, (the "Bond Resolution"). Reference to the Bond Resolution is hereby made for a complete description of the fund charged with, and pledged to, the payment of the principal of and the interest on this bond, the nature and extent of the security, a statement of rights, duties and obligations of the Authority, and the rights of

the owners of this bond, to all the provisions of which the owner hereof, by the acceptance of this bond, assents. Terms used but not defined herein shall have the meanings assigned to them in the Bond Resolution.

Simultaneously with the issuance of this bond, the Authority is issuing its Hapeville Development Authority Tax-Exempt Revenue Bond, Series 2004A (the "Series 2004A Bond," and together with the Series 2004B Bond, the "Series 2004 Bonds") in the aggregate principal amount of \$4,855,000 for the purpose of providing funds to pay, in whole or in part, the cost of (i) paying off leasing obligations in the amount of \$886,132.51 to the Georgia Municipal Association (the "2004A Lease Pay-Offs"), (ii) (a) developing and maintaining a streetscape project and (b) constructing improvements to the City's existing water and sewer system (the "2004A Project"), (iii) paying capitalized interest, and (iv) paying the costs of issuance.

This bond is transferable only upon the bond registration book kept for that purpose at the office of the Bond Registrar by the registered owner hereof in person, or by his attorney duly authorized in writing, upon the surrender and presentation to the Bond Registrar of this bond duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new registered bond, in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor. The Bond Registrar may charge for every registration of transfer of this bond sufficient to reimburse it for any tax or governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made.

The Authority and the City have entered into an Intergovernmental Contract, dated as of June 1, 2004 (the "Contract"), pursuant to which the Authority will agree to issue the Series 2004 Bonds to finance the acquisition of the 2004 Project, and the City, in consideration of the Authority's doing so, will agree to pay to the Authority amounts sufficient to pay the debt service on the Series 2004 Bonds (the "Contract Payments") and to levy an ad valorem property tax, without limit as to rate or amount, on all property in the City subject to such tax, in order to pay debt service on the Series 2004 Bonds. Under the Contract, the City has pledged its full faith and credit and taxing power unlimited as to rate or amount with respect to the Series 2004 Bonds.

The Authority has reserved the right to issue additional parity Bonds (the "Additional Bonds," and together with the Series 2004 Bonds, the "Bonds") pursuant to the Bond Resolution under certain terms and conditions. The Additional Bonds will be secured by a lien on the Collateral, including payments to be made under the Contract or another contract securing such Additional Bonds on a parity with the lien thereon securing the Series 2004 Bonds but excluding the Revenues.

This bond will not constitute a general obligation of the State of Georgia, the City, or any other political subdivision of the State of Georgia within the meaning of any constitutional or statutory limitation upon indebtedness. Neither the State of Georgia, the City nor any other political subdivision of the State of Georgia shall be subject to any

pecuniary liability thereon. No owner of this bond shall ever have the right to compel the exercise of the taxing power of the State of Georgia, the City or any other political subdivision of the State of Georgia to pay the same or the interest thereon. The principal of and interest on the Series 2004 Bonds are payable solely from the moneys derived from the Collateral. However, in accordance with the provisions of the Constitution and laws of the State of Georgia, the obligation of the City to make the payments it has contracted to make by the provisions of the Contract shall constitute a general obligation and a pledge of the full faith and credit of the City, and the obligation which the City has undertaken to make such payments from taxes to be levied for that purpose is a mandatory obligation to levy and collect such taxes from year to year in an amount sufficient to fulfill and fully comply with the terms of such obligation.

This bond is subject to optional redemption by the Authority, at the option of the City either in whole on any date, or in part in amounts not less than \$100,000 on any Interest Payment Date, from any moneys deposited with the Paying Agent and available for such purposes, at a redemption price of 100% of the outstanding principal amount thereof plus accrued interest to (but not including) the redemption date. If less than all of the principal amount of this bond is to be redeemed, said redemption shall be applied in inverse order to the required mandatory redemption or principal installment payments thereon.

Notice designating this bond (or the portion of the principal amount of this bond in multiples of \$100,000) to be acquired by redemption, as aforesaid, shall be mailed by first class mail, postage prepaid, not less than 30 days, but no more than 60 days, prior to the redemption date to the registered owner of this bond at the address which appears in the bond registration book, but failure to so mail any such notice or any defect therein shall not affect the validity of the proceedings for which proper notice was given.

To the extent and in the manner permitted by the Bond Resolution, modifications, alterations, amendments, additions and deletions of the provisions of the Bond Resolution, or of any resolution supplemental thereto or of the Series 2004 Bonds, may be made by the Authority with the consent of the owners of at least 55 percent in aggregate principal amount of each series of Bonds then outstanding, and without the necessity for notation hereon of reference thereto.

This bond is issued with the intent that the laws of the State of Georgia shall govern its construction.

In case of default, the owner of this bond shall be entitled to the remedies provided in the Bond Resolution.

It is hereby recited and certified that all acts, conditions and things required to be done precedent to and in the issuance of this bond have been done, have happened and have been performed in due and legal form as required by law.

This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until this bond shall have been

authenticated and registered upon the bond registration book kept by the Bond Registrar for that purpose, which authentication and registration shall be evidenced by the execution by the manual signature of a duly authorized signatory of the Bond Registrar of the certificate hereon.

IN WITNESS WHEREOF, the governing body of the Hapeville Development Authority has caused this bond to be executed by the signature of its Chairman and its official seal to be imprinted hereon and attested by the signature of its Secretary.
